Background and History *

AHASA - Allied Healthcare Association of South Africa

- **Non-Profit Organisation that was established on 27 November 1994**
- **Only professional body specialising in the healthcare sector**
- **Established with the focus to align the healthcare sector that provides a platform for temporary employment services (TES) to set, promote and manage the compliance, ethical standards and best industry practices for our members, while benefitting clients, work-seekers and employees alike**
- **AHASA promotes and ensures high ethical and professional standards of business for its members**

Proud member of the Confederation of Associations in the Private Employment Sector (CAPES)

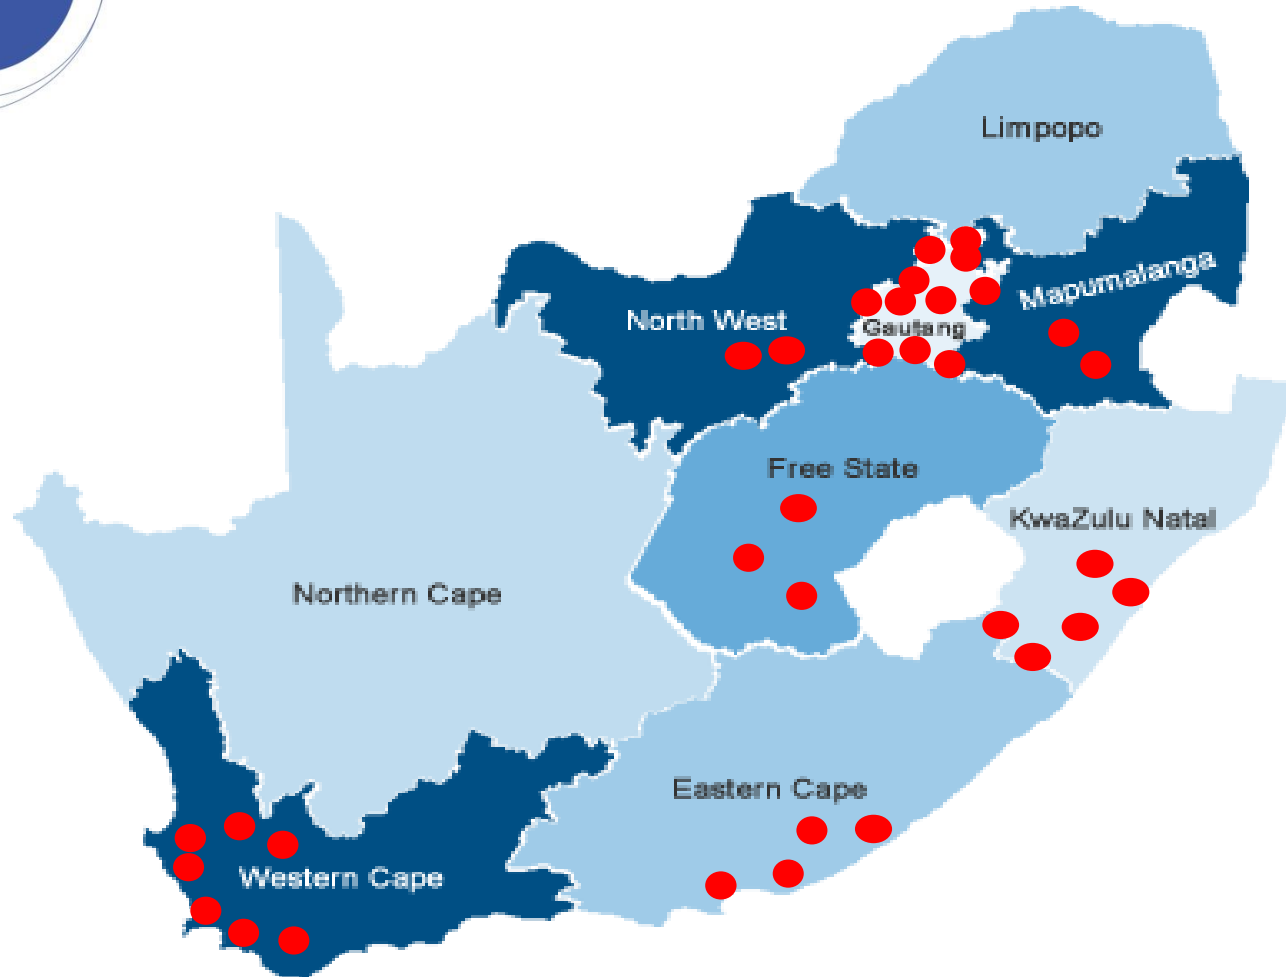

- Represents more than 1200 independent staffing business across all major sectors;
- Represents in excess of 10 000 employees;
- Represents a daily average of over 700 000 temp workers

- Umbrella body representing the staffing industry
- Created specifically to act as the lobbying organisation for the four primary staffing associations
- CAPES, as a member of: Business Unity South Africa (BUSA), Employment Equity Commission (EEC) and the Black Business Council (BBC), has been at the forefront of the negotiations in respect to the staffing industry (since 2006) and extensively during the recent labour law review.
