

Member Pledge 2025

As a registered member of AHASA in good standing, I pledge to uphold and promote the AHASA Code of Ethics in all business activities.

I will serve my clients with integrity, respect and professionalism in a transparent and responsible manner. I will only place competent, qualified and registered (if applicable) staff with knowledge and expertise appropriate to the client's needs.

I promise to uphold both the letter and the spirit of laws, regulations and contracts governing my own conduct, that of my clients and of the societies in which we all operate.

I pledge that considerations of personal benefit will never override my focus on the interests of clients or their stakeholders.

My personal behaviour will exemplify the values I publicly espouse in making this pledge. I will be equally vigilant in ensuring the professional behaviour of my assignees and other member health agencies, and will report any violation of this shared Code of Ethics.

I understand and accept that there is a consequence for misconduct, up to and including membership revocation.

As a member of AHASA, I freely and fully assume the responsibilities this Code of Ethics entrusts to me, and I am solemnly mindful that these responsibilities are a part of my obligations as an AHASA member.
